

Unofficial translation

**DECREE  
OF THE PRESIDENT OF THE REPUBLIC OF UZBEKISTAN**

**ON ADDITIONAL MEASURES TO ENSURE OPENNESS OF STATE BODIES AND ORGANIZATIONS, AS WELL AS EFFECTIVE IMPLEMENTATION OF PUBLIC CONTROL**

In order to improve public control by ensuring openness and transparency of the activities of state bodies and organizations, freedom to obtain information, as well as implementation of the tasks identified in the in the five priority areas of the Republic of Uzbekistan in 2017 — 2021:

1. Approve the List of socially significant information to be published as open data by all state authorities and administration bodies, including the Accounts Chamber, the Central Bank, courts and prosecution bodies and their structural and territorial subdivisions, as well as business entities with the state share in the authorized fund (authorized capital) of 50 percent or more and state unitary enterprises (hereinafter — state bodies and organizations) in accordance with [Annex No. 1](#).

The Anti-Corruption Agency (hereinafter — the Agency), jointly with the Ministry of Justice and relevant ministries and agencies shall on an ongoing basis submit proposals to the Administration of the President of the Republic of Uzbekistan on further expansion of the list of socially significant information to be placed as open data by state bodies and organizations as a result of ongoing analysis.

2. Establish a procedure according to which state bodies and organizations shall:

a) annually:

publish by March 1 the reports on their activities (with the exception of state secrets and information intended for official use) on their official websites, by March 10 inform about the place and time of their discussion with the participation of the general public;

hold by April 1 the press conferences to discuss the report on their activities with the participation of the general public;

b) starting from July 1, 2021, publish and quarterly update the following information on the Open Data Portal of the Republic of Uzbekistan (hereinafter — the Portal) and on their official websites:

on public procurements made, including goods (works, services) purchased under direct contracts;

on expenses for official business trips of officials and for receiving guests from abroad (purpose of the business trip or visit, per diem, transportation and accommodation expenses, except for state secrets and information intended for official use);

on beneficiaries of entities (ultimate beneficiaries-individuals), to which tax and customs privileges and preferences, including individual privileges are granted by acts of the President of the Republic of Uzbekistan and the Cabinet of Ministers, as well as on taxes paid by them and their financial indicators;

on their annual cost estimates and their implementation, including expenditures on construction, reconstruction and capital repairs of facilities, and the purchase of motor vehicles;

c) starting from July 1, 2021, jointly with the public councils operating under them, publish and provide quarterly updates on the official websites of the following information:

contact information (phone, mail, and e-mail addresses) of approved members of the public council along with information about them;

on the meetings of the public council and the agenda items;

on the approved members of the public procurement commission (name, last name and patronymic, place of work and position);

on the responsible employees of the bodies by region, authorized to issue licenses and permissive documents, and accept notifications, including the members of the relevant commission (name, last name and patronymic, position held), who organize the issuance of documents of this category.

3. Approve the proposal of the Ministry of Higher and Secondary Specialized Education, the State Inspection for Supervision of Quality in Education under the Cabinet of Ministers, and the State Testing Center to implement the procedure for live Internet broadcasting of the following exam processes:

entrance test and creative (professional) examinations in undergraduate education areas of higher educational institutions;

entrance examinations for master's degree (clinical residency) of higher educational institutions;

examinations held for students who wish to transfer their studies from national or foreign higher educational institutions to a state higher educational institution of the republic;

tests taken from applicants for the recognition of educational documents obtained in foreign countries.

The Ministry of Higher and Secondary Specialized Education, jointly with the State Testing Center, the State Inspection for Supervision of Quality in Education under the Cabinet of Ministers, and the Ministry for Development of Information Technology and Communications shall:

before the beginning of admission for 2021/2022 academic year launch, on the basis of the "transfer.edu.uz" platform, the "imtihon.uz" web platform open to all users, providing a live Internet broadcast of examination processes specified in this paragraph, involving ministries and agencies whose systems include higher educational institutions;

within a month, develop technical requirements (quality of installed cameras and video, layout plan, etc.) for live Internet broadcast of examinations (tests) process;

Submit proposals to the Administration of the President of the Republic of Uzbekistan and the Government to take strict accountability measures against authorized persons who fail to comply with the requirements specified in this paragraph.

4. Starting from July 1, 2021, ensure publication on the Portal and a quarterly update of the following information:

by the Accounts Chamber, the Ministry of Finance, supervisory bodies — the information on each audit and inspection (name of the object of control, purpose and terms of the audit or inspection, position, last name, name of a government employee who conducted it) with ensuring the protection of information constituting state or other secrets protected by law (after notifying the head of the relevant supervisory body);

by the Agency for Management of State Assets – the list (with indication of information on the organization performing functions of shareholder (participant, owner) on behalf of the state, territory of the enterprise, taxpayer identification number, state share) of legal entities with the state share in their authorized fund (authorized capital) of 50 percent and more and state unitary enterprises (hereinafter — enterprises with state participation), as well as the list of legal entities in which 50 and more percent of the authorized fund (authorized capital) belong to enterprises with state participation;

by the Ministry of Finance, the Agency for Management of State Assets, ministries and agencies, the Council of Ministers of the Republic of Karakalpakstan, khokimiyats of regions and Tashkent city — the names and last names of members of executive body (director, chairman of the board, board members) of enterprises with state participation, performing functions of shareholder (participant, owner) on their behalf, and members of supervisory board;

by the State Tax Committee — the information on dividends paid by enterprises with state participation based on the results of the year (quarter);

by the Ministry of Finance — the information on the State budget funds spent on enterprises with state participation, attracted funds from abroad, including the amount of the state foreign debt and their expenditure;

by the Agency for Management of State Assets — the list of state institutions (date of establishment, superior body) and information on privatized objects of state property (except for secret state enterprises and secret institutions constituting state secrets).

5. The Ministry of Finance jointly with the Ministry for Development of Information Technology and Communications, interested ministries and agencies shall ensure by September 1, 2021 the integration of the Portal with the special information portal on public procurement.

6. The State Committee on Ecology and Environmental Protection shall ensure by August 1, 2021 the launch on the official website of the Committee and the Portal of constantly updated Information Base on hunting and hunting farms.

Herewith, the State Committee on Ecology and Environment Protection jointly with the State Committee on Forestry shall ensure that the following information, along with the data stipulated in Article 36 of the Law "On Hunting and Hunting Industry", is reflected in the above information base:

all contracts concluded for the provision of hunting areas for hunting, cases of termination of the right to run a hunting farm, as well as the amounts recovered;

all persons permitted to harvest wildlife and the data in the permits, as well as the amounts recovered;

all permits issued for the removal of wild animals listed in the Red Book of the Republic of Uzbekistan from the natural environment, information in these permits, as well as the amounts recovered;

about the hunting permits (wildlife harvesting cards) issued by the forest hunting ranges of the State Committee on Forestry, as well as the amounts recovered.

7. In order to define the tasks of the Agency in the sphere of ensuring openness of activities of state bodies and organizations:

a) The following additional tasks shall be assigned to the Agency:

coordination and continuous monitoring of the sphere of ensuring openness of state bodies and organizations, including keeping records of their obligations to post (announce) on the Internet the information determined by regulatory and legal acts;

assistance in the development and introduction of measures to establish effective public control over the activities of government bodies and organizations through the mass media;

bringing up for public discussion via the "Mening fikrim" web-portal topical issues related to openness and transparency in the activities of state bodies and organizations, arising from the appeals of individuals and legal entities;

developing and promoting the implementation of proposals for the continuous replenishment, improvement and updating of the List of socially significant information to be posted as open data;

establishing of a culture of "openness, transparency and accountability of the activities of state bodies and organizations" through the mass media, as well as organization of the explanation of the importance of ensuring accountability of state bodies and officials to the people;

b) the Department for Transparency of State Bodies and Organizations shall be established within the structure of the Agency, within the limits of the total maximum number of managerial staff and payroll fund;

c) the Agency shall:

make proposals to the Administration of President of the Republic of Uzbekistan and the Cabinet of Ministers to bring to justice the guilty officials of state bodies and organizations who systematically violate the requirements of the legislative acts on openness;

ensure the annual preparation of information to the President of the Republic of Uzbekistan on the main achievements in the activity area and shortcomings encountered in the activities of state bodies and organizations, and publish it on its official website;

monitor the implementation of the Law "On Openness of State Government and Administration Bodies' Activity", as well as implement comprehensive measures to improve the position of the Republic of Uzbekistan in the Open Government Index of the World Justice Project.

8. Information services and units for working with appeals of state bodies and organizations shall be entrusted with the task of ensuring timely and high-quality execution of legislative acts on openness in these bodies.

9. The State Security Service jointly with the Ministry of Justice, the Agency and other concerned ministries and agencies within three months shall develop and ensure the introduction in accordance with the established procedure of the draft law "On Protection of State Secrets" in the new edition, which provides:

the list of restricted information, its use, as well as the grounds, terms and procedure for inclusion and exclusion of such information from the category of such information;

a ban on the classification of information not included in the list of restricted information;

a ban on the inclusion as state secrets of information the restriction of which threatens the personal safety of citizens;

definition of conditions and procedures for issuing authorized access to work with information constituting state secrets to citizens, civil servants of state bodies and other organizations, foreign citizens and stateless persons;

development and improvement of modern mechanisms for protecting state secrets, with account of the development of information and communication technologies and advanced trends.

10. Approve the Roadmap on further increasing the level of openness in the activities of government bodies and organizations in accordance with [Annex No. 2](#).

11. The Agency jointly with the Agency of Information and Mass Communications, the Ministry of Justice, the State Committee on Statistics until October 1, 2021 shall develop and introduce in accordance with the established procedure the Methodology for monitoring and evaluation of openness of state bodies and organizations' activity, aimed at regulating the activities to ensure openness in state bodies and organizations, including monitoring, assessment of efficiency and effectiveness of the work, calculation of the openness index.

12. Establish that from December 1, 2021 that:

The index of openness of state bodies and organizations is determined at the end of every year on the basis of the methodology specified in paragraph 11 of this Decree;

The Agency, jointly with the Agency of Information and Mass Communications and the Ministry of Justice, in accordance with the established procedure, shall take measures to determine the Openness Index of activities of state bodies and organizations, ensure that the results are communicated to the public through the official websites and mass media.

13. Recommend the chambers of the Oliy Majlis to publish on their official websites the following:

resolutions adopted based on the results of hearing the reports of the objects of parliamentary control;

information about the participation of a deputy of the Legislative Chamber in the adoption or rejection of every draft law (resolution), about the participation of a senator in the approval or rejection of every law (resolution);

information about members of the Senate of the Oliy Majlis, deputies of the Legislative Chamber of the Oliy Majlis, Jokargy Kenes of the Republic of Karakalpakstan, regional, Tashkent city, district and city Kengashes of People's Deputies, as well as about their electoral districts and their e-mail addresses.

14. The National Television and Radio Company of Uzbekistan and the Agency shall:

a) organize the publication of articles and preparation of television programs to cover the goals and objectives of this Decree jointly with the National News Agency of Uzbekistan;

b) from December 1, 2021, jointly with the state bodies and organizations concerned, ensure live broadcasting on television channels, as well as on the Internet, of the following activities:

sessions of the Legislative Chamber and the Senate of the Oliy Majlis, as well as sessions of the Jokargy Kenes of the Republic of Karakalpakstan, regional, district and city Kengashes of People's Deputies (except for closed sessions);

court hearings with the consent of the parties in cases involving offenses against the rights and freedoms of citizens and public safety, in the area of public health, environmental protection and environmental management, including those related to the professional activities of government

employees, as well as in certain civil cases involving family disputes (except for closed court hearings).

15. Violation of the provisions and procedures specified in this Decree shall be considered a violation of the legislation on openness of state bodies and organizations.

16. The Agency for Information and Mass Communications jointly with the Agency, the Ministry of Economic Development and Poverty Reduction, the State Committee on Statistics, the Ministry of Justice and other concerned ministries and departments, with account of international standards shall develop and submit to the Administration of the President of the Republic of Uzbekistan in accordance with the established procedure:

until January 1, 2022 - the Concept of the draft law of the Republic of Uzbekistan "On Openness of State Government and Administration Bodies' Activity" in the new edition;

until April 1, 2022 - the draft of this law.

17. The Agency jointly with the Ministry of Justice and other concerned ministries and agencies within two months shall make proposals for amendments and additions to the legislation arising from this Decree.

18. Control over the implementation of this Decree shall be assigned to the Prime Minister of the Republic of Uzbekistan A.N. Aripov and the head of the Administration of the President of the Republic of Uzbekistan Z.Sh. Nizomiddinov.

**President of the Republic of Uzbekistan SH. MIRZIYOYEV**

Tashkent city,  
June 16, 2021,  
No. DP-6247

ANNEX No. 1

to the Decree of the President of the Republic of Uzbekistan No. DP-6247 dated June 16, 2021

**LIST  
of socially significant information to be published as open data**
